

How much do you remember about spreadsheets?

1 Look at the screen shot of a financial model of a zoo and answer these questions.

a How much does it cost to feed the lions?

b How much is spent in total each week?

c Is the zoo overspending or underspending?

2 This model is created with a spreadsheet. Label these parts of a spreadsheet on the screenshot above.

cell, column, row, label, numeric data, print button, save button, Chart Wizard button, Sort button

3 Are spreadsheets always the best tools? Look at the chart below and tick the boxes for each activity.

Spreadsheets are the best tool to help:	True	False	Not sure
Draw pictures			
Store numeric data			
Draw charts and graphs			
Present information			
Write reports			
Make calculations
