

Photo Story Planning Sheet

What will be the title of your Photo Story video?

What is the purpose of your Photo Story video? (i.e. why are you making it?)

Who is the audience for your video?

What do you need to do to ensure that your video is suitable for your audience?

What kinds of images will you need to look for in order to make your video interesting and informative?

What kind of music do you think would provide the right atmosphere for your video?
